

Indigenous Knowledge Program Timeline and Update January 20, 2022

In December 2019, the Marten Falls First Nation (MFFN) Community Access Road Project Team (Project Team) introduced an Indigenous Knowledge Program to support the federal and provincial assessments for the Community Access Road Project (the Project). Since that time the following milestones have been accomplished:

- The Terms of Reference for the Project were approved with amendments on October 8, 2021 by the Minister of the Environment, Conservation and Parks;
- The Notice of Commencement of the Environmental Assessment (EA) was published on October 29, 2021; and
- The federal Tailored Impact Statement Guidelines were issued on February 24, 2020.

The Indigenous Knowledge Program is a critical component of the information base upon which the assessments will be conducted. The information generated through the Indigenous Knowledge Program will be used in tandem with scientific approaches, and both knowledge systems will be used in forming the foundation for baseline conditions, predicting potential project impacts, and determining appropriate mitigation and monitoring methods.

Figure 1: Indigenous Knowledge Timeline (attached) illustrates the key steps in the Indigenous Knowledge Program and their anticipated completion dates. As noted above, the Project Team began communicating with Indigenous Communities in December 2019, and Project funding support for those communities who have expressed an interest in participating in the Indigenous Program began in the summer of 2021 and is on-going. To more holistically integrate Indigenous Knowledge and information on Indigenous Land and Resource Use into the assessment processes we have targeted a June 30, 2022 deadline for the completion of Project-Specific Indigenous Knowledge/Indigenous Land and Resource Use Studies.

Indigenous Knowledge and information on Indigenous Land and Resource Use is invaluable in that it helps us to better understand and appreciate the environment with respect to the identity, culture, and heritage of Indigenous Communities. If your community has Indigenous Knowledge or information on Indigenous Land and Resource Use related to the Project that you would like to share or if you would like to learn more about the Indigenous Knowledge Program please do not hesitate to reach out to Bob Baxter at 1-807-628-7553 or bbaxter48@gmail.com or Andrea Nokleby at 1-604-417-5332 or anokleby@dillon.ca.

We hope you and your community are safe and well.
